

EU-RoHS and REACH Statement

Veghel, October 2019

We, Fluidwell BV, hereby declare that, to our best knowledge, all products manufactured and/or supplied by Fluidwell fulfil the requirements of the EU Directive 2011/65/EU (RoHS 2) and Regulation (EC) No 1907/2006 (REACH), including the latest modifications and amendments.

Fluidwell has not received any Safety Data Sheet from its suppliers making mention of any of the substances included in the Candidate List of Substances of Very High Concern (SVHC, as published on the website of the European Chemicals Agency). Also, at our request, our suppliers have confirmed that no SVHC substances are present in the components supplied to Fluidwell.

Fluidwell actively monitors changes or updates to the RoHS Directive and the REACH Regulation, and their associated lists of unwanted substances. If any change or update leads to a change of status of our products, Fluidwell will actively inform its customers.

Fluidwell BV
